RENEWED PETITION UNDER 37 C.F.R. §1.47(a)

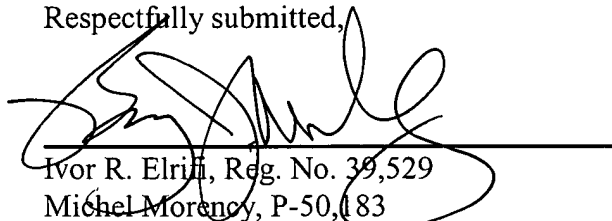

Sir:

This is a Renewed Petition pursuant to 37 C.F.R. §1.47(a) in response to the Dismissal of Applicant's first petition filed on December 6, 2001 as set forth in the DECISION ON PETITION UNDER 37 CFR 147(a) mailed on January 30, 2002.

This Renewed Petition is being made to accept the Combined Declaration and Power of Attorney of inventors Jamal Temsamani and Michel Kaczorek (submitted with the first petition on December 6, 2001). As recited in the DECISION ON PETITION UNDER 37 CFR 147(a), no additional fee is required. A *bona fide* and diligent attempt was made to contact and obtain the signature of third inventor, Annick Colin de Verdier. This Renewed Petition is accompanied by the Statement of Pierre Breese, a partner in the French law firm of Breese-Majerowicz. Mr. Breese has first-hand knowledge of the facts recited in his Statement. As detailed in the attached Statement, on a number of occasions, a complete copy of the application papers and a Declaration form was forwarded to Annick Colin de Verdier for her review and signing of the Declaration form. Postal receipts from the French Postal Service confirm receipt by Annick Colin de Verdier of these documents. However, inventor Annick Colin de Verdier has repeatedly refused to sign and return the Declaration form.

Since inventor Annick Colin de Verdierre has repeatedly refused to execute the Declaration, the undersigned respectfully requests that inventor Annick Colin de Verdierre be designated as an inventor who refuses to sign and permit submission of the Declaration with the signatures of Jamal Temsamani and Michel Kaczorek on behalf of the non-signing inventor.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Ivor R. Elrifi', is written over a horizontal line.
